President's Message:

Happy (almost) summer everyone. The sun has come out after a delicious rain, it's warm and the gardeners who have seeds in the ground must be hugging themselves! Now if we could just get rid of the pesky mosquitoes. I'm told the "mossies" serve a purpose in the grand scheme of things but I'm too busy using them as an excuse to stay inside in my sewing room to give it much thought!

Last month I wrote my message sitting in our hotel room in Capetown South Africa and at our picnic meeting next Tuesday in Chepstow the five of us who travelled there are going to tell you about some of the highlights of the trip. Sheila O'Hagan has very kindly put together a power point presentation of some of our multitude of photos. We promise to use the KISS principle (keep it short and sweet). We are looking forward to sharing some of the amazing experiences we had in South Africa and a story or two. We also will bring along some of our African treasures (and fabric) to show off!

I hope some of you have had or will have the opportunity to get to one or more of the Quilt Shows (Quilt Canada 2017 June 14-17, Queen's Bush Guild in Markdale June 23-24) this month. With our Quilt Show just a year away it's a good idea to support our fellow guilds and maybe get an idea or two for an interesting new project!

Looking forward to seeing everyone at the picnic!

****Shoreline Quilts** will have a selection of patterns to choose from. For a complete selection see www.quirksandquilts.com or check out Joni's patterns at the **Cobwebs' and Caviar Booth at the Canadian Quilt Show** in Toronto in June. Joni will be at the booth.

The ballerinas, Spin (skater), Bug Party and Bon Echo Rock are good beginner level projects. Next up would be Killbear Pine, Quiet Cove, Hidden Path, and last, Rough Water Canyon, Hogs Back Falls and Killarney for more experienced quilters (hardest to keep track of all the little bits and quilt). Students do not all have to do the same project or even the same level of project; they can choose the one that appeals to them.

COMMUNITY OUTREACH REPORT

Requests for comfort quilts are to be made to Pat Golem at 519-506-2434 or at golemp@live.ca.

This month we were thankful to have an excellent inventory of quilts yet on hand because we suddenly had two substantial requests. We donated four single bed quilts and five comfort quilts to the newly opened Chapman House in Owen Sound. This is the residential hospice for the Grey Bruce area. Some of our quilts can be seen on the virtual tour on their website. Habitat For Humanity in Owen Sound had a new family going into a buy back home and requested quilts for a Mom and her two young daughters. So, a total of seven bed quilts and eight comfort quilts were given out this month. The items distributed for the guild year consists of 9 bed quilts and 32 comfort quilts, 123 mission dresses, 20 pillowcases and 4 children's quilts to the Optimists Club. Many thanks to our members who generously give of their time to sew for outreach. Our communities need and appreciate our talent so we have to continue replenishing our supply of donations.

There will not be a work session on Tuesday afternoon. Quilt tops, completed quilts and "I Spy" blocks can be turned in to Marie Bolton at the June meeting. If, over the summer, you would like a sinful kit to work on, please contact Marilyn. Also, Sacred Heart Parish in Walkerton is collecting mission items to distribute in Ghana, Africa at the end of summer. If you would like to make mission dresses for this cause, contact Pat or Marilyn for fabric.
